

PORTER COUNTY RETIRED TEACHERS ASSOCIATION

Volunteer Hours

The Indiana Retired Teachers Association (IRTA) is the ONLY group in the state whose primary mission is to lobby for retired teachers! Through volunteer work, retired teachers accumulate volunteer hours which are tallied, recorded, and used by the IRTA for Cost of Living (COLA) negotiations with the state legislature. For the past several years, retired teachers in Indiana have recorded more than a million hours of volunteer service.

Examples of Volunteer Activities to Record:
